

Support for Windows Server® 2016

This driver and software are compatible with the following editions of Windows Server® 2016.

Windows Server® 2016 Datacenter
Windows Server® 2016 Standard
Windows Server® 2016 Essentials

The operation for Windows Server® 2016 is generally similar to Windows 10, however the following point is different.

■ **Opening the control panel screen**

Right click [Start] and select [Control Panel].
